Author of the Brotherhood of Light Lessons C. C. Zain is the pen name used by Elbert Benjamine, the noted astrologer, naturalist and occultist, for those writings done under the aegis of The Brotherhood of Light during the years 1914 - 1934. This body of knowledge, referred to interchangeably as The Brotherhood of Light Lessons or The Religion of the Stars, was envisioned by Zain to be a world religion of the future.

The mission of Zain's writing is centered on a nine-point plan to insure the citizens of the world Freedom from Want, Freedom from Fear, Freedom of Expression, and Freedom of Religion. To obtain these freedoms he encourages the individual to become familiar with the Facts of Astrology, the Facts of Extra-Sensory Perception, the Facts of Induced Emotion and the Facts of Directed Thinking. The moral code is "Contribute Your Utmost to Universal Welfare." Within the first half of the 20th century B. of L. teachings were distributed around the world. Like the writings of Bailey, Blavatsky, Steiner, and Heindl, the works of C. C. Zain have impacted the lives of thousands of students of Western Occultism.

Elbert Benjamine, was born Benjamin P. Williams in the small town of Adel, Iowa, December 12, 1882. His family remembered his birth because it was the year a comet flashed across the sky. His father was a doctor and a deacon in the Disciples of Christ Church. His interests in occultism and astrology were frowned upon in his community. He changed his name to Elbert Benjamine upon moving to Los Angeles in order to protect his family.

Benjamine's desire was to be a naturalist. As a boy he spent every free hour in the woods observing the habits of wild things, an enthusiasm that would continue his entire life. He later held the position of president of the Southern California Nature Club for 25 years and was responsible for the establishment of a bird sanctuary in Los Angeles. Benjamine contacted the Brotherhood of Light in the spring of 1909 and was commissioned to place the teachings in writing. In his day Elbert Benjamine was a unique leader. He opposed hero worship and cult-like behavior. He discouraged members from taking any of his writings on blind belief. Instead he encouraged them to subject them to rigorous testing of their own. Church of Light members are given freedom of conscience and encouraged to study as many things about religion, science and the mysteries as they can and then draw their own conclusions.

This catalog offers C. C. Zain's legacy in books.

## Course I

### Laws of Occultism

The word "occult" literally means hidden or unseen. This course reveals the unseen natural laws which impact all of life. Various types of psychic phenomena such as spirit apparitions, séances, automatic writing, and astral travel are explored. Of special interest is the information on how the inner plane affects the outer plane and impacts the individual's ability to attract health, wealth, and happiness.

**The Brotherhood of Light**  
**New Full Color**  
**Egyptian Tarot Cards**

Tarot cards are a system of symbolical pictograph writing through which Egyptian initiates conveyed spiritual ideas derived from a still more ancient past. These cards indicate the corresponding astrological symbolism and numerological symbolism associated with the Roman, Hebrew, and Egyptian alphabets.

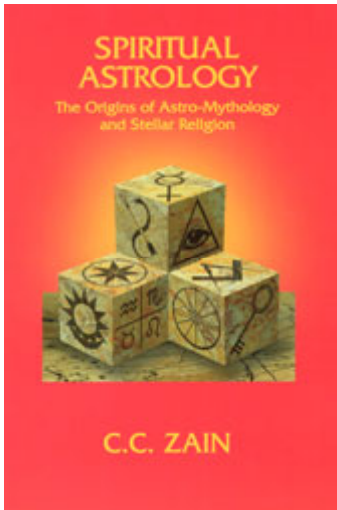

Detailed exposition and instructions for use in divination can be found in REF#CS6H - The Sacred Tarot by C. C. Zain.

## Course IX

### Mental Alchemy

Character is composed of thought cells built and organized on the inner plane. These thought cell formed before birth and represented by the chart of birth, constitute a person's unconscious mind. They continue to be modified after birth by experience and dominant trends of thinking. This book reveals the inner nature of poverty, failure and disease, and how to find and apply a mental antidote.

### Weather Predicting

Studying the art of weather predicting using astrological methods is a valuable tool particularly useful for those involved in agriculture, aviation, travel or planning events. Weather charts may be used to determine variations from normal weather patterns by comparing Temperature, Wind and Moisture charts for a given location and time. Astrological weather predicting uses the cycles of the Sun, Moon, and Mercury to draw correlations between astral and physical weather conditions. It is the only text available entirely devoted to astrological influences on the weather.

### Organic Alchemy

All forms of life come under one uniform and universal law of soul progression. Human beings differ from species of animals and plants only by degree of evolution. All forms of life encounter the problem of securing adequate nutrition, securing protection from enemies and the environment, finding a suitable mate, and providing for the needs of the offspring. This course instructs how pleasure and pain are not rewards or punishment by God but merely Nature's way of informing any life form whether it is successful in adapting itself to its environment.

### **OUR MISSION:**

To promote Universal Welfare and the exaltation of humankind, through the teaching and practices of the Religion of the Stars as outlined in the writings of C.C. Zain.

### **GUIDING PRINCIPLES:**

A loving Cosmic Intelligence, of which we are all a part, whose infinite goodness guides us through undeviating natural law.

A Divine Plan, manifests through progressive evolution, in which each soul has a unique and important role.

A soul is completely moral when, to the maximum extent of its abilities, it adheres to the universal moral code: Contribute Your Utmost to Universal Welfare.

The realization of the soul's Mission, and the attainment of Self-Conscious Immortality, is the goal toward which each soul moves.

Love is the way to life. Unselfish Love alone makes immortality possible.

Through the proper exercise of one's mentality, using Directed Thinking and Induced Emotion, it is possible to control one's own life and destiny, both here and hereafter.

Astrology is the Golden Key that unlocks the door to understanding the Soul's true character and potential.

The safe development of extrasensory perception (Extension of Consciousness) is the best tool for realizing each individual's mission in the Divine Plan and for verifying the survival of the soul after death of the physical body.

Religion is the sister of Science, and it evolves by incorporating new information as it is discovered and verified.

### **OUR VISION FOR THE 21ST CENTURY:**

We are a powerful force for good and for spiritual enlightenment, and expand the reach and experience of our members because:

We provide reliable and verifiable information regarding the nature of the soul and its relationship to Deity and other life forms;

We seek out reliable and verifiable information regarding life on higher planes of existence, especially in regard to the transition we call death, and the nature of the next life;

We develop increasingly advanced tools and training in astrology, extrasensory perception, directed thinking and induced emotion, toward the end of maximizing each person's happiness, usefulness and spirituality;

We promote the importance of the four essential freedoms: Freedom from Want, Freedom from Fear, Freedom of Expression and Freedom of Religion;

We build a sense of community and spiritual purpose which uplifts and inspires our members to Contribute Their Utmost To Universal Welfare.

## Membership in the Church of Light

The Church of Light teaches that the astrological chart of birth represents a map of the soul and reveals the unique qualities and purpose for which each person is created. When living in harmony with that unique purpose, as indicated by the chart of birth, the individual will attain happiness, success and spirituality. The Church of Light welcomes all to explore the exciting opportunities that membership offers. Members may study and pass courses in the three branches of Hermetic Science; Astrology, Alchemy and Magic.

Our philosophy comes from the Hermetic Tradition as embodied in the  
21 Brotherhood of Light Courses written by C.C. Zain.
