Church of Light
Convention 2011

Sponsorship Program

Pat Ramsey

The Church of Light offers a Sponsorship Program for financially disadvantaged members. Sponsors agree to financially assist a member in their Church of Light studies by making a tax-deductible donation to cover membership fee, supplying lessons, and exam processing fee as the student studies the lessons and passes exams.

There are thirty-six members currently enrolled in the Sponsorship Program. Twenty-two of those members are incarcerated. Four members live in Africa, one from Cuba, and one from Australia. Since the Sponsorship Program began, six members being sponsored became Her-

meticians.

To remain in the sponsorship program, an enrolled member must pass an exam once every six months with a grade of 75% or better. The next course is mailed only upon completion of the previous course.

There are always more members wishing to be sponsored than we have sponsors. If you are interested in anonymously sponsoring a member in need, please contact our Membership Minister, Rev. Patrick Ramsey, at drpat@prodigy.net, or call the office Monday, Tuesday and Thursday from 9 a.m. to 5 p.m.

Proudly Sponsored by Pat Aeronautics, Albuquerque, New Mexico

Opening Ritual

Eternal Brothers and Sisters:

We are now about to open a Church of Light meeting in the customary manner, and in so doing let us consider seriously the purpose for which we are here gathered together; the purpose which, since the dawn of human intelligence, has drawn true brothers and sisters of the Light into holy convocation; the purpose which, during all ages, has attracted the spiritual efflorescence of every epoch together at selected meeting places; the purpose which has ever impelled the noblest and most exalted souls of earth to band together for a common effort. That purpose is to study Nature's laws, to unfold the divine attributes of the soul, to secure conscious immortality, and to attain the royal grandeur that surrounds the true perfected human.

As has been the custom for eons past, let us arise and face the east, from whence each day the Sun first sheds his all-illuminating rays upon the children of the earth, and bear in mind that even as all energy, light and warmth upon the earth are derived from the Solar Father, so in truth all life, light, and love known to man are derived from God, the Spiritual Father, Whose all-providing care was symbolized in the minds of our ancient brethren by the orb of day.

Let us now make the symbol of The Religion of the Stars. We stand, to indicate active volition, with right hand raised to heaven in aspiration to divine knowledge and power, and the left hand extended to earth, as a pledge that such knowledge and power will be used only in spirit and in truth, for the benefit of humanity.

You may lower your hand and I will pronounce the invocation.

O Thou Eternal Spirit, in Whom we live, move, breathe, and have our being! Consecrate this meeting of the cause of truth and righteousness. As Brothers and Sisters of the Light, we seek knowledge at the shrine of goodness. Therefore, by virtue of our unselfishness and sincerity in desiring to assist in Thy works, we ask the help of the Legions of Light, and their protection from all forces of darkness.

So Shall It Be!

Closing Ritual

Eternal Brothers and Sisters:

We are now about to close a Church of Light meeting in the customary manner, and in so doing let us consider seriously the kind of life it is fitting a brother or sister of the Light should live. We must each leave this meeting to go about our daily duties, but unless we take with us some higher thought and nobler purpose, we have spent our time here in vain, for knowledge lacking goodness leads to naught but self-undoing. Each brother and sister has pledged himself or herself to put forth an effort to alleviate physical and mental suffering, to dispel ignorance, and to spread truth. Therefore, even as we would be helped by those of our religion who are more enlightened, let us make every effort to assist others. And let each so conduct himself or herself as to be an example of moral purity, radiating life, light and love upon the world of his endeavors.

As has been the custom for eons past, let us arise and face the west, wherein at close of day the solar orb softly sinks to rest and relinquishes his sovereignty to his heavenly consort. And let us bear in mind that even as the orb of night reflects the glory of the Sun when darkness would shroud the earth, so should each earnest brother and sister reflect the radiance of our teachings, even amidst the darkness of ignorance, lighting somewhat the most obscure as well as the more luminous paths which he is forced to tread. The lunar Mother symbolized in the minds of our ancient brethren, sustaining Nature, upon whose breast we lean, and from whom we draw such experiences as nourish and expand our immortal souls.

Let us now make the symbol of The Religion of the Stars. We stand, to indicate active volition, with right hand raised to heaven in aspiration to science, wisdom and power; and the left hand pointing to earth, signifying the desire to reflect the Divine Will, and evincing an unconquerable determination to dominate all acts of life by the spirit.

You may lower your hand and I will pronounce the benediction.

O Thou Eternal Spirit, in Whom we live, move, breathe, and have our being! Dismiss us now with Thy blessings. And as we travel along our several ways, let ministers of Thine guard our footsteps and light our pathway, that we may not stumble in our blindness. From our hearts we thank those who have assisted in our researches, and now, as we depart, we consecrate our efforts to the cause of truth and beneficence.

So Shall It Be!

Paul Brewer is a Hermetician, Minister, and President of the Church of Light. He has been a member of the Church of Light for forty-two years. He has practiced astrology professionally and taught astrology classes since 1970. His primary fields of interest are religion, philosophy, occult science and cosmology. Paul's formal education includes a BS in Electrical Engineering from the University of Oklahoma and an MBA from California State University. Paul retired in 2004 from The Boeing Company in southern California following a twenty-eight year career in engineering, marketing, and program management. Paul developed the Horoscope Program ©, an invaluable software program for Windows that employs the Hermetic System of Astrology, Astrodynes, and Progressions. Paul and Allyn McCray will co-meece this year's convention.

Vicki Brewer, the designer of the new Brotherhood of Light Color Tarot, is a familiar face at every Church of Light event. She first joined the Church in 1972 and is a Hermetician, Minister, and Secretary on the Board of Directors. Vicki is also a staff member at Church of Light Headquarters performing a wide variety of services for the organization.

Vicki will be part of a panel of speakers which is planned as the grand finale of our conference. She will field questions from the audience and share her experience of redesigning The Brotherhood of Light Tarot as a full-color deck.

Marc Demarest specializes in researching Modern Spiritualism and the Occult Revival and is the curator of the Emma Hardinge Britten Archive:

(www.ehbritten.org). He is also a

principal in Noumenal, Inc., an international management consulting firm. Marc did his graduate work in Victorian Studies at the University of South Carolina under the supervision of Patrick Scott and is currently writing a biography of Emma Hardinge Britten and preparing a Victorian Spiritualist reader, both slated for publication in 2011. He also curates the web site for the International Association for the Preservation of Spiritualist and Occult Periodicals, a 501 non-profit educational organization. *The History and Principles of The Church of Light* informs us that it was through two books, *Ghostland* and *Art Magic*, both translated and edited by Emma Hardinge Britten, that The Brotherhood of Light Teachings first came to America. As one of two guest presenters at our pre-conference intensive, Marc will share some of his most recent discoveries, including who his researches reveal may have been the mysterious author of *Ghostland*.

Meg Dissinger is an Ordained Minister, Hermetician, and Missionary Teacher, Meg first joined the Church of Light in 1970 and served on the Board of Directors from 1975 – 1978. Meg is a Licensed Professional Clinical Counselor in private practice, and has recently retired after over 20 years in public education. Meg will be facilitating a morning yoga class and officiating a beautiful service celebrating the Summer Solstice.

Yvette Fortin will offer an interdisciplinary talk entitled “As Above, So Below: Connecting Body/Earth with Spirit/Heaven.” It is intended to show how the macrocosm is reflected in the microcosm and an exploration of how human body systems mimic earth systems. Her research led her into new areas of investigation which took her on a journey of discovery that challenged many previously held belief systems. Yvette will lead us through a selection of related information on the human brain, consciousness and the electromagnetic resonance that connects us all to the earth. The journey ends with reflection of the mind and how the second tarot card plays a role in connecting the human body to the spiritual body. consideration will be given to the Hermetic Axiom, “As Above—So Below,” as related to the symbolism of the human form.

Christopher Gibson is a Certified Grand Master of the Tarot with the American Tarot Association. He began his journey with the Tarot in 1969 when a classmate presented him with a deck of the Ryder-Waite-Smith tarot

cards. In November 1973, his Tarot explorations took an unexpected turn; a powerful dream that included passing before Egyptian images in a dark passageway, persuaded a coworker to introduce him to The Brotherhood of Light Tarot deck. The next two years Christopher spent in seclusion in the forests of northern California studying The Brotherhood of Light Lessons. He returned to Los Angeles and joined the Church of Light in 1976. Upon becoming a Hermetician in 1978, Christopher was elected to the Board of Directors of the Church of Light, where he has

served in varying capacities as president, vice-president, corporate secretary, and director. During the late 1970's, Christopher had the opportunity to study closely with the renowned Tarot instructor Jesse Montoya. In 1980, a week before his death, Jesse requested Christopher to take over teaching his Tarot classes. Christopher is familiar to many through his national television appearances on NBC, FOX, and CNN. He has been featured in *Who's Who in America*, *LA Inside Out*, and *Faces of Faith*. In *The Ritual of Egyptian Initiation*, the first serial in The Brotherhood of Light Lessons, C. C. Zain writes about the rigorous trials that initiates underwent during their preparation for acceptance into the mystery schools. Zain's descriptions were based on the translation of a more ancient, mysterious manuscript that had been translated into French in the late 19th century by Paul Christian and later translated into English by Genevieve Stebbins. This manuscript, attributed to Iamblichus also included the admonitions associated with each of the major Arcanum found in *The Sacred Tarot*. In this three-hour Tarot Intensive, titled, “Allegories, Archetypes, and the Inner Sanctuary,” Christopher Gibson will explore the possible sources of this secret manuscript, the inseparable history of Tarot cards and playing cards, and the construction of the Inner Temple

K. Paul Johnson, author of five books, joined the Church of Light in January 2006. His second book, *The Masters Revealed: Madame Blavatsky and the Myth of the Great White Lodge* (SUNY Press, 1994), is the background for the discussion which appears in the film *Madame Blavatsky: Spiritual Traveler*. The last of his three books in the Western Esoteric Traditions series from

SUNY Press was *Edgar Cayce in Context*, published in 1998. Before retiring in 2008, Johnson was the director of three public library systems in southern Virginia. He has a keen interest in the Alchemy courses in the Brotherhood of Light lessons. In his special preconference presentation Paul about will explore mysteries associated with three colleagues who have been credited with helping T.H. Burgoyne to write *The Light of Egypt*: Norman Astley, Genevieve Stebbins, and Sarah Stanley Grimke.

Sandra Mayo, a popular presenter at Church of Light conventions, believes that the consciousness of the Soul is a logical, accessible science and that the universe functions by laws which can be known and studied. Sandra is one of the founders of the Clinton Astrological Association, which holds monthly meetings

with guest speakers. In 1993 the CAA joined the ranks of the Church of Light and began studying the Brotherhood of Light Lessons one chapter at a time. Sandra's company, Applied Stellar Dynamics, is based in Alexandria, Virginia, from which she serves a large client base, making several trips to Europe each year. Sandra Mayo and the Clinton Astrological Association will be returning to Albuquerque to wow us by giving a dramatic voice to the Trump Cards of the Tarot. In Plato's dialogue Theaetetus, Socrates attempts to establish that what we call sounds and colors are two different classes of the same thing. Sandra's presentation will explore the practical application of the Tarot for knowledge of thought-vibrations, character-vibrations and astrological-vibrations in selecting those invisible (elemental) influences which assist to bring into the life the things which are desired and which prevent attracting events and conditions which are unde-

sirable. The process of choosing one's name, naming children, and moving to a new address will be discussed.

Allyn McCray will present on the esoteric symbolism of Arcanum I—The Magus. With three elements represented by the cup, sword, and coin spread on the surface of his cubic altar and a fourth, the scepter in his hand, The Magus reveals all of the factors required to create magic in your life. Come discover how to spark that magic. Allyn and Paul Brewer will co-emcee the conference.

Allyn is a Hermetician and contributing writer for the Church of Light Quarterly. She was officially recognized by the American Tarot Association as a Certified Tarot Reader in 1999, and has taught Egyptian Tarot at Santa Fe Community College. Allyn, our Communication Director, is familiar to many who receive our internet newsletter The Weekly Beacon, or who follow the Church of Light on Facebook and Twitter.

Veiga O'Sickey will take us on a journey through the esoteric meanings of the Minor Arcanum. In The Brotherhood of Light Tarot, the Minor Arcanum have both inner (esoteric) and outer (exoteric) meanings. The esoteric meanings are based on the 36 decanates, or minor constellations that were recognized by early classical astrologers such as Ptolemy, Manilius and Aratos. Drawing from the text of *Spiritual Astrology* by C. C. Zain, Veiga will reveal how these insights can be applied to Tarot card interpretation.

Veiga, a native of Iceland, joined The Church of Light in February 2007. She is actively involved at Headquarters coordinating work-parties and for the last two years she has hosted a group that explores The Brotherhood of Light Lessons three Sundays a month. Veiga has enjoyed a long and varied career in medicine and healing. She is a licensed paramedic, and is currently engaged in a formal course of study that uses color and light in healing.

Patrick Ramsey is a Hermetician, Minister, Certified Teacher and Board Member with the Church of Light. He is best known for his role as Membership Minister, grading exams and encouraging members in their spiritual progress. He is the section advisor for the Head division of The Order of the Sphinx as

well as a Minister, Practitioner, and Doctor of Metaphysics associated with the University of Metaphysics. Patrick has been a popular reader at numerous Church of Light Conventions.

Patrick will lead us through a “hands-on” workshop of Tarot spreads and counseling techniques. Participants will learn a variety of Tarot card spreads that they can use for themselves and others.

Radine Ramsey is a Hermetician, Minister and the Section Leader for Body of the Bull in The Order of the Sphinx. She first joined the Church of Light in 1997, and worked at Headquarters from 1998 to 2000. She currently volunteers as Copy Editor for the Church of Light Quarterly. Radine graduated

with ministerial degree and a Masters Degree in Metaphysics from the University of Metaphysics in Sedona, Arizona. Radine and Pat Ramsey were married in 1992. She works for Pat Aeronautics, a family-run business, where she holds the title of Senior Vice-President and Queen of Everything. Radine attends the University of New Mexico where she is majoring in English and a minor in Music. An Advanced Toastmaster, Radine attends the Earlybird and El Paisano Toastmasters of Albuquerque. Photography by Radine, her new business venture is featured in this program. Radine will prove the theory that “there is a song for every occasion” by entertaining us with a medley of tunes all of which relate to the Major Arcanum of the Tarot.

Please take the opportunity to book a session with our wonderful volunteer numerology, astrology, energy, and tarot readers as well as our chair masseuse who are offering their services as a fundraiser

Your generous donations will help offset the costs of the convention

OUR MISSION:

To promote Universal Welfare and the exaltation of humankind through the teaching and practices of the Religion of the Stars as outlined in the writings of C.C. Zain.

GUIDING PRINCIPLES:

A loving Cosmic Intelligence, of which we are all a part, whose infinite goodness guides us through undeviating natural law.

A Divine Plan manifests through progressive evolution in which each soul has a unique and important role.

A soul is completely moral when to the maximum extent of its abilities it adheres to the universal moral code: Contribute Your Utmost to Universal Welfare.

The realization of the soul's Mission and the attainment of Self-Conscious Immortality is the goal toward which each soul moves.

Love is the way to life. Unselfish Love alone makes immortality possible.

Through the proper exercise of one's mentality using Directed Thinking and Induced Emotion, it is possible to control one's own life and destiny, both here and hereafter.

Astrology is the Golden Key that unlocks the door to understanding the Soul's true character and potential.

The safe development of extrasensory perception (Extension of Consciousness) is the best tool for realizing each individual's mission in the Divine Plan and for verifying the survival of the soul after death of the physical body.

Religion is the sister of Science, and it evolves by incorporating new information as it is discovered and verified.

OUR VISION FOR THE 21ST CENTURY:

We are a powerful force for good and for spiritual enlightenment and expand the reach and experience of our members because:

We provide reliable and verifiable information regarding the nature of the soul and its relationship to Deity and other life forms;

We seek out reliable and verifiable information regarding life on higher planes of existence, especially in regard to the transition we call death and the nature of the next life;

We develop increasingly advanced tools and training in astrology, extrasensory perception, directed thinking and induced emotion toward the end of maximizing each person's happiness, usefulness and spirituality;

We promote the importance of the four essential freedoms: Freedom from Want, Freedom from Fear, Freedom of Expression and Freedom of Religion;

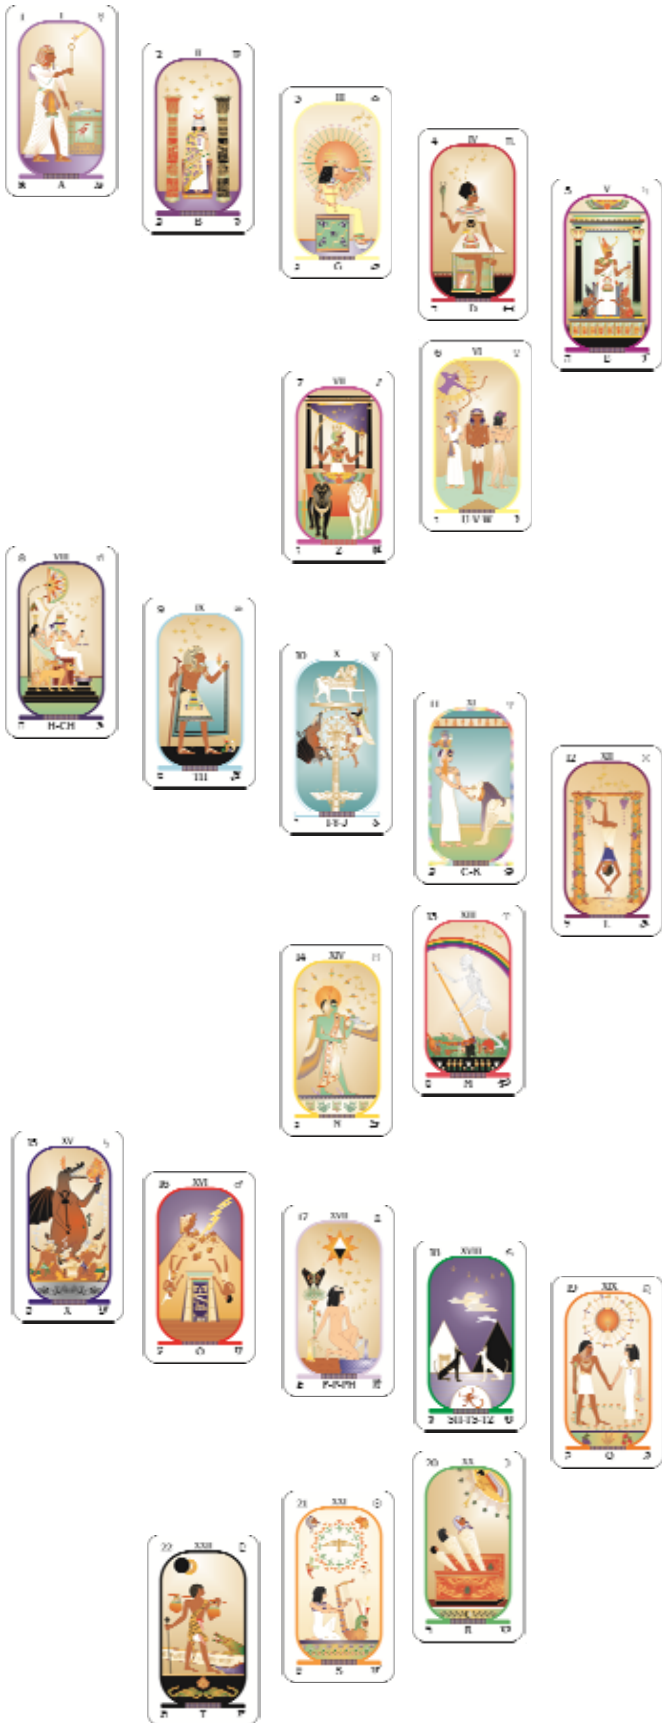

We build a sense of community and spiritual purpose which uplifts and inspires our members to Contribute Their Utmost To Universal Welfare.

The Synthesis of Magic

The human Will (1), enlightened by Science (2), and manifested by Action (3), creates the Realization (4), of a power which it uses or abuses according to good or bad Inspiration (5), in the circle which has been traced for it by the laws of universal order. After having surmounted the Trial (6), which has been imposed by Divine Wisdom, he will enter by his Victory (7), into possession of the work it has created, and establishing his Equilibrium (8), upon the axis of Prudence (9), he will rule the oscillations of Fortune (10).

The Force (11), of man, sanctified by Sacrifice (12), which is the voluntary offer of himself upon the altar of devotion or expiation, triumphs over death. This divine Transformation (13), raises him beyond the tomb into the serene region of infinite progress and opposes the reality of Initiative (14), to the eternal falsehood of Fatality (15). The course of time is marked by Ruins (16), but beyond every ruin one sees reappear the dawn of Hope (17), or the twilight of Deception (18).

Unceasingly, man aspires to that which ever flees from him, and the Sun of Happiness (19), will only rise for him beyond the Tomb (20), after the renewal of his being by death, which opens to him a higher sphere of Will, Intelligence and Action. Every will that lets itself be governed by the instincts of the flesh abdicates its liberty and is bound to the Expiation (22), of its errors. On the contrary, every will that lets itself be governed by the instincts of the flesh abdicates its liberty and is bound to the Expiation (22), of its errors. On the contrary, every will which unites itself to Deity in order to manifest truth and work justice, enters even in this life, into a participation of divine power over beings and things, Recompense (21), eternal of Freed Spirits (0).”

NEW CLASS— The Decanates of Astrology

Early Classical astrologers such as Aratos, Ptolemy, and Marcus Manilius recognized 48 constellations; the 12 signs of the zodiac and the 36 decans. The word decan comes from the Greek meaning “ten” and each decanate corresponds to a ten-degree section of the zodiac. The decanates first evolved in Egyptian astrology before being absorbed by the Greco-Roman world.

In this 12-week class, instructor Christopher Gibson will take you on a journey through the folklore and mythologies of the classic world. Through astro-mythology we will discover keys to understanding character, personality, and the unique spiritual message that is encoded in every birth chart. This class will draw heavily upon the writings of C. C. Zain and contemporary astrological

research conducted by Dennis Sutton in Australia.

And Special Report: USA Under Attack*.

Lynne Palmer

Learning to Love Our Differences

In her morning workshop titled, "Learning to Love Our Differences," Lynne will share her ideas on how astrology can be used to create a more harmonious and compatible world. Through astrological insights, we can learn how to cherish and benefit from the differences between our charts and discover how to cultivate strategies for more compatible relationships.

The Disease Cancer, its Astrological Indicators, and Nutritional Antidotes

In her afternoon program "The Disease Cancer, its Astrological Indicators, and Nutritional Antidotes," Lynne will address the astrological constants present in the birth chart that are factors in the lives of persons diagnosed with the disease cancer. She will also look at the progressed constants operating at the time of disease. Lynne will reveal the mental antidotes and astrological affirmations that contribute to living a healthier life as well as discussing the dietary and nutritional approaches to help prevent cancer.
